County proposes to cut library opening hours to save on costs

LIBRARY opening hours could be cut in Ilminster, Chard and Crewkerne, but all branches will remain operational.

The proposals are part of plans that would make sure Somerset's library service "is fit for the future".

By Anders Larsson
anders@pemedial.co.uk

A county council spokesperson said: "The proposals show the council's commitment to doing everything

it can to keep all of the county's 34 libraries open, while making much needed financial savings, at a time when the authority's finances are under considerable pressure."

Ilminster Library is currently open for 29 hours per week, but the proposal on the table would bring it down to 21.5 hours.

The Crewkerne branch would go from 34 hours per week to 28.5 hours, whilst the Chard branch would see opening hours per week reduced from 37 to 29.5.

If approved, the plans would mean a reduction opening hours for most libraries, delivering savings equivalent to the cost of running the county's ten smallest libraries.

The opening hours of some libraries would remain the same or be extended, especially where they form part of hubs.

Self-service technology could also be trialled, allowing people to access the library outside staffed times.

Councillor David Hall, Somerset County Council's Cabinet member responsible for libraries, said: "We know how important the library service is to people across Somerset, so we have set out how we will do everything we can to make the service more sustainable and fit for purpose in the modern age. We know that there is no one size fits all solution."

"For each hub we will work with local partners to find solutions that work for the local community."

The plans could see libraries forming part of 'hubs' in key towns across the county, which would bring several public services together under one roof. The new hubs will provide modern, flexible spaces to

meet local community needs.

The first hub will open in Glastonbury in autumn 2016, with services including the library, children's centre, Citizens Advice, registration services and Mendip District Council.

While not all areas will be suitable for hubs, the Council aims to work with local communities to develop approaches reflecting local need and demand, such as plans being developed with Martock Parish Council for Martock Library.

Work is currently underway to gather feedback from residents about the proposed hubs and changes to the library service, including how and when people access library services and how the service could better meet resident's needs in the future. If you would like to read more about this and share your views, please go to www.somerset.gov.uk/hubsandlibraries

As part of a council-wide freeze on non-essential spending introduced last month, Somerset's libraries will not be stocking national newspapers from the beginning of January until the end of March, 2016.

This temporary measure will save the authority around £4,000 and help balance the council's budget and reduce a projected overspend this financial year.

The usual range of local titles will be on hand and full text articles from the national press are available online, free of charge, through the People's Network computers in all libraries.

Residents can see the proposals in detail and share their views at www.somerset.gov.uk/hubsandlibraries

Online training at Axminster surgery

ABOUT 25 patients have taken up the offer of a free course in how to make appointments and order repeat prescriptions online at Axminster Medical Practice.

Attempts to promote online services are at an early stage and the practice website is about to undergo an upgrade.

Axminster Medical Practice has been under pressure for some time and expansion work at the surgery is now underway.

As previously reported, there will be disruption – and it is hoped patients will help alleviate the pressure by using the online facility.

The online training

has been provided by the practice's patient participation group.

Patient Participation Group secretary Ann

Veit said that the plan is to hold more sessions in the New Year, on dates to be announced.

Yarlington helps fund launch of ground breaking mental health scheme in Chard

A GROUND-BREAKING mental health scheme which offers support to young people launched in Chard last week.

"The Project", which has been operating successfully in Axminster for the past two years, brings a much-needed new service to Chard.

Backed by a committed team of staff and volunteers, The Project offers supportive, confidence-boosting sessions and fresh ways to handle emotional difficulties helping young people aged 13 to 24 to address their mental health and wellbeing. It also offers support for parents and carers.

The Project is being brought to Chard through a partnership with Yarlington Housing Group, a Yeovil-based company that provides affordable housing across the South West. Yarlington is funding the initial one-year pilot of The Project along with promoting referrals as part of their commitment to building communities and supporting residents.

The launch event, held at Chard's Young Peoples Centre, attracted over 50 people including staff and volunteers from Yarlington, Get Set, Pupil Referral Units, Holyrood Academy, local GP surgeries and the NHS. The Mayor of Chard, Councillor Dave Bulmer, also attended and expressed the town council's support for the project.

Project co-ordinator Debbie Humberstone, who was inspired to set up The Project after one of her own children experienced mental health issues, said: "There's nothing like The Project for young people nationally, yet statistics show that three young people in every class have a diagnosable mental health problem, and issues are emerging earlier and earlier."

■ **GROUND-BREAKING:** The Project officially launched in Chard thanks to funding from Yarlington Housing Group

"Offering support, and investing time and effort in young people at this level is worthwhile if it stops one person developing long-term mental health problems."

Ken Comber, head of communities at Yarlington, commented: "In a time of uncertainty and increased pressure on support services for young people, we are pleased to be able to support the set-up of The Project and hope to see it go from strength to strength."

"After seeing the demand they have already had from the South Somerset area, we hope that by working together we can make this service more accessible to our residents and the wider community."

The Project opens its doors in January and referrals are now being taken. They are also keen to hear from people of any age who may be interested in volunteering with them, particularly people who have had their own mental health issues or who have worked with young people in this field.

To find out more or about how to get involved, visit www.theprojectyp.org.uk or contact Debbie Humberstone on 07970 167341 or email info@theprojectyp.org.uk

Popular musicians entertain at Henhayes

■ **ENTERTAINMENT:** Spats Langham and Mike Denham with Henhayes trustees Rosemary Prince and Ron Spencer and compere Jan McNeill

SPATS Langham and Mike Denham became part of the Henhayes Centre music scene when Crewkerne residents were treated to a performance by the two respected performers.

Although billed as music from the prohibition era, they played a variety of modern, ragtime and classic jazz with their enthusiastic rendition of "China Boy" going down a treat with the audience.

Chairman of the Henhayes Centre, Rosemary Prince, was delighted that the evening went so well.

"We would like the centre to become well known for being adaptable for all sorts of events and this one was particularly well received as part of the local Take Art scene," she said.

"We are lucky to be able to host another such

evening on February 12th when The Schmoozenbergs will be playing a mixture of gypsy jazz and swing. We look forward to welcoming even more music fans to this event

"Thomas Spats Langham started playing the ukulele at the age of 10 and, encouraged by his grandfather, he took up the banjo and was playing with professionals at the age of 14. He is a proficient player of the banjo and the guitar and plays with many well known professionals.

"Mike Denham, ragtime and jazz pianist, has performed locally in the Ilminster Arts Centre and down at Bridport. He is a versatile jazz player and can often be seen performing with jazz bands such as the Sunset Cafe Stompers."

Mayor and town crier raise a glass for charity

■ **TOP TIPPLE:** Town crier Stuart Cumming presents the landlady of the Conservative Club with a sprig of holly to denote her ale as being fit to drink

CHARD town crier Stuart Cumming and mayor Dave Bulmer led their annual tour around the local hosteleries on Friday to taste the ale and declare it fit for consumption. Joined by members of Chard Town Team, the town crier and mayor, complete with a chocolate gold coin chain of office, tried eight pints in eight different pubs on a very busy night, all in aid of the mayor's chosen charities.

Holyrood students past and present receive awards

EXCEPTIONAL students from Holyrood Academy in Chard were rewarded at an awards evening, when past and present pupils received an array of trophies and for outstanding achievement, good citizenship, hard work and specific achievements from the last academic year.

Award-winners were presented with their prizes by district councillor Amanda Broom who delivered the main address and said: "I am honoured to have been invited to present the trophies. As a former Holyrood student myself I am extremely proud to have been able to take part in the evening and recognise the achievements of the students."

Chairman of the school governors, Ann

Adams, added: "For me this is the highlight of the year! It celebrates what we are about as an Academy and it is extremely rewarding to be able to celebrate the effort and hard work that our students have put in."

"We are also very lucky to have such exemplary staff who go above and beyond to help our students achieve what they aspire to."

Principal Martin Brook enthused: "Events like these are a tremendous way to recognise what our students have achieved over the last year."

"I always enjoy welcoming our former students back, and it is nice for our younger students to look at what our older students have achieved as it can give them inspiration for the future. Well done everyone!"

West of England Laser Centre

Birthmarks, Thread Veins and Other Blemishes

BROWN birthmarks are caused by an excess of melanin, the skin's natural tanning pigment, causing, for example, 'cafe-au-lait' birthmarks. Exposure to the sun's ultra-violet rays can also result in similar changes such as freckles and sun/age/liver spots.

Red birthmarks, such as 'port-wine stains' are caused by an excess of blood vessels near the skin surface, varying from pale pink to purple. Other blood vessel problems sometimes occur in the form of unsightly 'thread/'spider' veins and 'blood spots' (haemangiomas).

The West of England Laser Centre at Nuffield Health Taunton Hospital undertakes treatment with advanced laser technology. A variety of lasers using different types, colours and intensities of laser light are used to treat different skin conditions. The laser energy either destroys the vessels by heat or breaks down pigment into tiny particles which are then dispersed naturally by the body. The darker the pigmented area to be treated, the more treatments required.

Also available: laser removal of other skin conditions such as excess hair, moles, warts, verrucas and tattoos plus surgery for baggy eyelids (blepharoplasty). For further information please contact us on 01823-331773 or visit our website at www.welc.co.uk

Slimming World

▲ Margaret Pike before.

▲ Margaret Pike after.

MARGARET Pike, Slimming World Woman of the Year 2015, winner for the Axminster group has lost an incredible 5 stone 7 lbs and has now kept her weight off for 12 months.

Margaret a medical technical officer from Colyton, joined the Axminster group just after Christmas 2014 and dropped from a size 20 to a size 10 in less than a year. With Margaret's job she had to encourage people to lose weight for their health, but was embarrassed that she hadn't managed to sort out her own weight problem, which left her with no energy and tired all the time.

Says Margaret "It has totally changed my life, I used to eat fatty foods and have chronic indigestion, now I can still graze, but on the right foods"

All her colleagues have been inspired by her amazing achievement and laugh when she brings in a carrier bag full of food, she never goes hungry!

"I wanted to do it for me and I feel so good now."

"Slimming World's plan isn't about going 'on a diet', it's about discovering a new way of eating that means you can still enjoy food and live your life. In fact, by making small changes to the way they prepare and cook meals, slimmers find there's very little they can't have while losing weight" says Margaret's Consultant, Helen.

"We also know that many people put off joining groups such as ours as they are nervous and don't know what to expect, but myself and my colleagues, want to let them know that everybody is welcome with open arms and that there's absolutely no need to feel nervous, although you won't be the only one!!

Our groups are warm and welcoming and all our members know how it feels to walk into that room, as Margaret did almost a year ago!!

Traditional Acupuncture Val Davis

Acupuncture can improve and maintain health and energy and enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other nagging problems resolve as your main health complaint improves.

The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, poor circulation, low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management, and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years training at degree level to become an Acupuncturist. We are then entitled to join the British Acupuncture Council and to use the letters Lic.Ac., B.Ac.C after our names. We also have public liability and professional indemnity insurance. Many of us have also studied at post-graduate level and are constantly updating our skills and experience.

So, why not give me a ring and see if I can help.

Bowen Therapy & Energy Healing Melanie Philip

The Dynamic relationship between Stress & Bowen Therapy

TO many times a week when treating people with Bowen do I discover that most of the conditions or symptoms they are presenting with are directly related to the amount of stress in their life and their relationship to that stress. Learning to manage stress in our everyday life can undoubtedly make a massive difference to our Health and well Being. Attitude, Mood, and Lifestyle. Why? because stress can have many adverse effects on our health, including Back Pain, weakening of the immune system, collapsed energy levels, poor digestion hence leading to many common conditions we see in people today. One of the first things that the Bowen works to do before real healing, repair and recovery can truly take place is to bring the person out of the fight and flight mode they are currently living in, to a place within that is much more aligned with Rest, Being, Sleep and Relaxation. This state is our natural state. The Bowen Technique directly addresses and affects the Autonomic Nervous system which is responsible for these fight and flight Vs restfulness, calm and peaceful responses within us. More and more people in society are living most of the time from this fight and flight response unable to make conscious choice to come from a different place within, it has simply become a mechanical and unconscious way to exist.

If this speaks to you then please take advantage of my offer below and give me a call today.

NEW YEAR

New You

What's your New Year's resolution?

Podiatrist / Chiropodist Lindy Parry

I **HOLD** my private chiropody clinic at Townsend House Surgery in Seaton.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Bookings can be made by calling 01297 22956.

Laser Light Therapy

THIS therapy is designed to help people relax. During a treatment, a special eye mask, containing diodes of red and blue light which emit quantum and solfeggio frequencies, is placed over the client's eyes. This can help the client experience a meditative state and feel more relaxed.

Other pads which emit red and infra-red light are placed on the body, usually on parts of the back. The aim of this is to help the nervous system switch from the active sympathetic state to the more restful parasympathetic state. This change can help activate the body on a cellular level, leading to improved healing.

Karen Hodder is our Laser Light Practitioner and can treat adults and young people. Karen is also an approved trainer for Light Therapy, offering training to other therapists, counsellors, yoga practitioners and meditation teachers.

Contact Karen 01297 35162 or karenhodder@btinternet.com to book a treatment.

See in the New Year with That 70s Band!

WINSTONS in Seaton are having their end of year party on New Year's Eve this year, featuring That 70s Band, plus a 70s disco and a hot and cold buffet, all for just £15.00.

Manager Chris Oakes said: "Last years party was such a success and great fun that when we talked about this year every-

one asked if we could do the same again, so that's what we've done, at the same price as last year.

"If you haven't seen the band live, they dress in the cheesiest 70s gear and play all the favourites from you guessed it, the 70s!

"We are also encouraging peo-

ple to do fancy dress, this is optional, but be warned this is a ticket only event and 75% of the tickets have been sold, so get yours while you still can and come and see the new year in style."

Tickets are available from Winstons, Beer Village Stores and Axe Music in Axminster.

WHAT'S HAPPENING AT ILMINSTER ARTS CENTRE THIS JANUARY

WE'VE got a cracking line up of events to get 2016 off to a flying start. We reopen on January 4th with a showcase of work by the prize-winning artists of our 2015 Open competition. This will be a welcome opportunity to enjoy new work by the artists who wowed us (and the judges) last year: overall winner Jenny Graham, joint second winners Mark Beesley and Paul Newman, and Brendon Murless, winner of the 3D prize. Joining them will be Jenny Barron, who scooped the Visitors' Choice Award, and highly commended artists Linda Hampson & Lawrence Nash. The exhibition runs until January 23rd.

Following hot on the prizewinners' heels, our next exhibition In the Mix (January 25th - February 13th), brings a hand-picked group of Somerset artists to the Arts Centre. These eight artists will show a vibrant selection of 2D and 3D work inspired by their love of nature, with plenty of cheerful colours and intriguing textures to enjoy.

Musically, we are as busy as ever, with a programme that kicks off with Edison Herbert's jazz trio on Friday 8th. Edison is a brilliant and lyrical jazz guitarist and this will be an evening of classy modern jazz, featuring standards as well as some of his own compositions. Flying Folk on Friday 15th brings together three talented young folk artists, Louise Jordan, Hattie Briggs, and Jemima Farey. The irrepressible Mike Denham returns for

with Abigail Willis

his 18th Speakeasy on Friday 22nd, this time accompanied by Martin Wheatley, a nimble-fingered specialist in vintage styles of banjo, ukulele, mandolin and guitar. On Friday, January 29th we give you 'three of the best' names in modern mainstream jazz, the inimitable Alan Barnes, Jim Mullen and Bobby Wellins, plus another three, the Craig Milverton Trio.

Our workshops get underway with Collagraph Printing on Friday 8th - the perfect opportunity to learn how to make beautiful embossed prints. Food Glorious Food is the theme of our children's art workshop on Saturday 9th, while on Friday 15th it's time to get Felting, a wonderfully creative and tactile craft. Our Flamenco workshop on Saturday 16th is great fun, with lots of clapping, stamping and "armography". Recycling can be creatively rewarding as you'll discover at our Rag Rugs workshop on Friday 22nd and Crazy Patchwork Friday 29th. Tony Hayward's Guitar Workshop tunes up on Saturday 30th, while our Readers Group convenes on Friday 8th to discuss their latest book, while Knit, Stitch and Crochet Too regroup on Thursday, January 21st.

Fab Films, events and cinema coming to The Beehive

with Wendy Van Der Plank, *The Beehive*

THE Cinema at The Beehive is going from strength to strength, folk are beginning to realise that they can go to the movies just down the road rather than having to travel further afield

It is no surprise that 'The Lady in the Van' sold out for both showings and it's wonderful to have so many local folk through the Beehive doors.

Mad Dog Mcree was also a tremendous evening, with people still wanting tickets but sadly we were sold out and couldn't squeeze any more in.

On January 8th at 7pm we will be showing Shakespeare's 'The Winter's Tale' as a part of the Kenneth Branagh Theatre Season. Judi Dench plays Paulina and Ken Branagh plays Leontes in this timeless Tragicomedy of obsession and redemption. We are also delighted to be showing a special screening of 'Florence & The Uffizi Gallery' on Saturday, January 16th at 7.30pm where the audience will be given a complete tour of the Gallery's most renowned pieces from Botticelli, Michelangelo to the newly restored

Adoration of the Magi by Leonardo da Vinci.

Other great films we have lined up are 'Bridge of Spies' (12A) starring Tom Hanks and Mark Rylance on Friday, January 15th and 'Love and Mercy' (12A) the extraordinary film about Brian Wilson lead singer and writer from The Beach Boys. We complete January with a special preshow talk at 6pm about Honiton Suffragette, Juanita Maxwell Phillips (by Julia Neville and Caroline Merry) followed the film 'Suffragette' (12A) at 7.30pm on Friday 29th. For a very poignant, special show I'd really recommend Chaplin, a fascinating tale of this complex character, beautifully performed by award winning actor Pip Utton on Saturday, January 30th for only £8.

Roxy Magic

A night of Roxy Music and Bryan Ferry

ROXY MAGIC are the UK's best and longest-running tribute to Roxy Music & Bryan Ferry. This band of experienced and talented musicians recreate the diverse music and imagery of the hugely influential Roxy Music and pop icon Bryan Ferry. All the hits are performed with panache to deliver an exciting and highly entertaining tribute.

Singer Kevin Hackett bears an uncanny resemblance to Ferry both visually and vocally, and has honed a stage presence which has received wide praise from fans of the original.

Roxy Magic perform their set of best remembered Roxy Music hits totally live, believing it to be more dynamic than playing with the aid of backing tracks. Because of the unique range of Roxy Music and Bryan Ferry's music, from art rock to disco, 30s ballads to rock'n'roll and ultimately the smooth sophistication of Avalon, the set has a great deal to offer to a wide audience. Remember and enjoy 'Virginia Plain', 'Avalon', 'Dance Away', 'Street Life', 'Love Is The Drug', 'Angel Eyes', 'Let's Stick Together', along with a host of massive hits and proven live favourites such as 'Re-Make Re-Model', 'Ladytron', 'Both Ends Burning', and 'I'd There Is Something' which featured in the Daniel Craig movie Flashbacks Of A Fool.

Roxy Magic play at the Marine Theatre, Lyme Regis on Saturday, January 16th. Doors and bar open 7pm, with the show from 8pm. Tickets are £12 or £10 (concessions), available online at www.marinetheatre.com or by calling the box office on 01297 442138.

Kieran Hodgson presents

LANCE

FOLLOWING a phenomenal sell-out run at the Edinburgh Festival Fringe, Foster's Comedy Award Nominee Kieran Hodgson is grabbing his bike and taking his show *Lance* on the road with his debut national tour.

In 2003 Lance Armstrong won his 5th consecutive Tour de France, an achievement watched by a young and impressionable Kieran Hodgson from his West Yorkshire home. *Lance* is the hilarious story of growing up and moving on in the wake of a betrayal by your hero.

As well as displaying his impressive and hilarious live character comedy, Hodgson has appeared in BBC's Jonathan Creek and Count Arthur Strong as well as E4's Drifters and the box office smash Alan Partridge: Alpha Papa. Kieran also has a guest role in the upcoming second series of the BBC Three hit comedy Siblings.

Kieran Hodgson brings *Lance* to Exeter's Bike Shed Theatre on February 4th. For more details visit www.bikeshedtheatre.co.uk

Brown and white cow spotted in Axminster!

RUMOURS are rife that a brown and white spotted cow was recently seen in the Guildhall in Axminster hotly pursued by a man in a dress, a Giant, an eco-fairy and 40 children aged between 7 and 14. The public have been told not to worry however as apparently it is just the cast of Axminster Drama Club rehearsing for their latest pantomime Jack & the Beanstalk which they will be performing

at the Guildhall between Thursday 14th and Saturday 16th January with a matinee on the Saturday.

The show contains a large number of up beat songs and funky dancing so with the many jokes, wonderful costume and colourful scenery once again it will be a show not to be missed. Tickets are now on sale at Archway Bookshop, Church Street but hurry as they are selling fast.

Pulman's Property View

A year in the life of estate agents, Gordon & Rumsby

COLYTON is such a pretty little town and never more so than at Christmas. The town is lucky to have new Christmas lights this year and they look lovely. It's hard to believe that another year is coming to an end – in

January, Gordon and Rumsby will be 7 years old with our Colyton office almost 4. It isn't easy selling houses in this beautiful rural part of the country but the good news is that the market has been quietly improving over the past 3 years.

We are seeing activity during odd times of the year, though. For example, February has been the best month of the year for sales this year. We took on a lot of property early in 2015 and we sold most of them quickly with prices ranging from the low £200,000s to the mid £400,000s. Then we had a poor Spring and early summer. August (traditionally a quiet month for us) picked up a bit and September, October and November followed in a similar vein. After the Chancellor's announcement on increased stamp duty for 2nd home buyers, we have seen a surge of activity which continued well into December and I would expect this to pick up again in January as buyers try to complete before

April. As a result of recent sales, we are now very short of property so anyone wanting to sell in the New Year should try to get an early start.

We are finding that the legal process is becoming more cumbersome with a huge amount of

our time taken up in nursing the sale through from sale agreed to exchange of contracts. This is the most stressful time for most people and keeping in touch with everyone in the loop is essential.

It is difficult to predict too far into 2016 but at the moment, I expect an early start with a possible dip in activity around March/April. By far the most encouraging sign I have seen is the return of more local buyers to the market, which we desperately need. What I would like to see is more stability in terms of price and activity. A steady market with prices holding fast but not rising much if at all, would be helpful for us all.

Finally, I would like to express my thanks to all the people that have recommended our services to their friends and family and have said lovely things about our company. We do work hard for our clients and it's great to know that is being recognised.

Are you thinking of moving in the New Year?

SPOTLIGHT

SPOTLIGHT ON MY SERVICE

Westcountry Chimney Services

WESTCOUNTRY Chimney Services are a professional company based in East Devon providing chimney services throughout Devon, Dorset and parts of Somerset.

Trained by the Guild of Master Chimney Sweeps, proving commitment to the chimney industry and demonstrating this commitment and professionalism by taking the time to pass the Guilds assessment.

We are fully insured and will supply a certificate for every flue swept.

Advice will be given on areas such as correct ventilation as this will help to improve the efficiency and safety of the appliance.

It is extremely important to regularly sweep your chimney flue to prevent soot build up within the flue which can cause a chimney fire.

Soot build up can cause damage to the flue, not only reducing the efficiency of the appliance but can cause dangerous fumes such as carbon monoxide leaking into your home thus why regular sweeping is imperative.

Included in our service:

An inspection of the flue will take place to check condition and see if there is any obstruction or damage to the flue, then

The appliance will be checked for any damage such as cracks and corrosion of the seals.

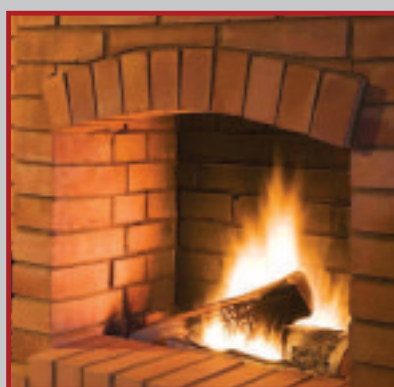

The flue will be swept using the correct equipment and all fall out will be cleaned up and removed.

Finally a smoke test will be done to confirm the appliance is drawing efficiently.

All prevention will be taken to stop any soot getting on to carpets or furnishings by the use of dust sheets, protective foot ware and a commercial vacuum. Westcountry services do a wide range of chimney flues including woodburners, range cookers, Agas and inglenooks.

Ford small cars debut new 2016 editions

FORD'S successful small car range will head into 2016 further strengthened by a number of colour editions.

The Ford Fiesta and B-MAX will join Ka with Black, White and other Colour Editions to enable eye-catching personalisation of more Ford small cars.

Lisa Brankin, Ford of Britain marketing director, said: "Demand for our existing Ka Black White Editions, and Fiesta Red Black Editions before that, show that customers like to personalise their cars beyond series and colour, so we pleased to extend the opportunity for the new year."

Fiesta Zetec Black and Fiesta White Editions

The new Fiesta Editions are available in Frozen White or Panther Black body colours with contrasting roof and wing mirrors.

Priced from £13,645 on-the-road, the limited Editions feature 15in black painted alloy wheels with contrasting white inserts, rear privacy glass and power-folding door mirrors with puddle lights.

There is also a choice of the award-winning 1.0-litre EcoBoost engine with 100PS or the 1.25-litre Duratec with 82PS in both three-door and five-door bodystyles.

The interior continues the contrasting theme with a unique black-coloured gear knob with white stitching, leather steering wheel with white stitching and white inserts on the interior door handles.

Fiesta continues to be the best-selling vehicle in the UK with nearly 125,000 sold so far this year. The Fiesta Black and White Editions follow on from Ka Zetec Black and White Editions which were launched earlier this year, and the Fiesta Black and Red Editions which were the first vehicles to debut Ford's 1.0-litre EcoBoost 140PS engine and already represent around four per cent of total Fiesta sales, with over 6,300 sold since launch.

The Fiesta Zetec Black and White Editions are on sale now.

B-MAX Zetec Colour Editions

From next year the B-MAX line-up will grow with the introduction of three new Zetec-based Colour Editions, featuring black painted contrast roof and door mirrors, sporty styling details and exclusive availability of the 1.0-litre EcoBoost engine delivering 140PS, available for the first time beyond Fiesta Zetec S.

Customers can choose the Zetec Red Edition which features a Race Red body, White Edition in Frozen White and the Silver Edition in Moon dust Silver.

There will also be three powertrains on offer: the 1.0-litre EcoBoost

140PS, 1.4-litre with 90PS and 1.6-litre 105PS PowerShift. Equipped with Auto-Start-Stop as standard, the 1.0-litre EcoBoost delivers 0-62mph in 10.4 seconds with 116g/km CO2 and 56.5mpg.

Further features include a black painted front grille and body colour rear spoiler, unique 16in black alloy wheels, rear privacy glass and black a front aerofoil and rear diffuser.

The B-MAX Zetec Colour Editions are available on sale from January from £15,745 on-the-road and will arrive in dealerships in spring.

Focus Zetec S Red and Black Editions

The new Focus Zetec S Red Edition features a Race Red exterior and contrasting Panther Black roof, black mirror caps and black grille surround. The Focus Zetec S Black edition reverses the combination with a Panther Black exterior, Race Red roof, mirror caps and red grille surround.

The theme is carried through the interior with a black painted centre stack; black leather sports steering wheel and gear lever gaiter with red stitching; black leather handbrake lever and gaiter with red stitching; black floor mats with red stitching; and Charcoal black sport seats with contrasting red stitching.

Both models feature unique Panther Black 18in alloy wheels, a black grille and a Race Red diffuser element beneath the rear bumper. It will also deliver sportier driving experience with standard sport suspension featuring front and rear springs stiffened approximately 10 per cent, tuned shock absorbers for enhanced body control, and a front anti-roll bar optimised for front-end grip and turn-in performance.

Available in five-door only, customers will get a choice of either a 1.5-litre EcoBoost 182PS petrol engine delivering 127g/km CO2 and 51.4mpg or a 2.0-litre Duratec TDCI 150PS diesel engine with 105g/km CO2 and 70.6mpg. Both models feature a six-speed manual gearbox.

The new Focus Zetec S Red and Black Editions are available to order now.

Government road safety measures don't go far enough, says GEM

ROAD safety organisation GEM Motoring Assist today welcomed many of the UK Government's proposed new road safety measures. However, GEM believes there is a missed opportunity for re-establishing a national road safety target, safeguarding young drivers and reducing the drink-drive limit.

GEM chief executive David Williams MBE said: "We urge Government to bring back national targets. These provide the much-needed central focus for the efforts of road safety professionals across the country.

"We support the introduction of graduated licensing (GDL) for new drivers. January 2016 marks the third anniversary of the announcement of the Green Paper on GDL. In that time we

estimate that 1,300 people will have been killed or seriously injured in young driver crashes that could have been prevented by a GDL system1.

"We are convinced that a reduction in the drink-drive limit from the current 0.08g/dl is long overdue. Latest estimates2 show that a reduction in the limit to 0.05g/dl in 2010 would have saved 25 lives and prevented around 95 serious injuries in each of the following three years. Therefore any political motivation for keeping a limit that was set in 1967 needs to be replaced by an agenda that has public safety at its core."

football round-up – South West Peninsula, Devon & Exeter, Somerset and Perry Street Leagues

Table toppers stunned by depleted Tigers

ST MARTINS 2 AXMINSTER TOWN 3
SW Peninsula Division One (E)

WITH most games in the region called off during the morning or even on Friday, it was a surprise that The Tigers found themselves travelling to table-topping Saint Martins for the only surviving fixture in the Division.

Ax arrived at the opponents' wind and rain swept ground to discover a pitch which was, at best, only just playable. The fact that there was no lying water must have swayed the referee to give the match the go-ahead.

Preparations for the game were not ideal; unavailabilities, suspensions and injuries meant that Axminster were missing five regulars including keeper Scott Wells-Burr – certainly not the best preparation when the opponents were five points clear at the summit of the division.

However, in an end-to-end first 15 minutes chances fell to both teams but Axminster took the lead when Alex Wheatley was felled in the area and Jon Hurford confidently put away the spot kick.

Ten minutes later the hosts were level, but his did not daunt the spirits of the battling Tigers and an excellent long ball from Brad Miller found Luke Finn at the far post who headed it back across goal for Liam Cleal to head in from close range.

Back came the Saints and they equalised for a second time soon after the interval.

The fifth goal of the contest arrived in a bizarre manner. The ball was in the opposition's area when their centre back inexplicably punched Ben Turner in the face! The defender was dismissed and Hurford again dispatched the spot kick.

Axminster survived a spell of six corners against them, but after this re-gained the ascendancy. The impressive Cleal hit the post after a great run, and on two other occasions the final touch could not be applied as the ball zipped through the six yard box.

The final whistle went with a depleted Axminster deservedly beating the league leaders. The only blot on the copy book was the dismissal of substitute Tony Pinder for kicking out at a defender.

BEER ALBION 0 SEATON TOWN 0
D & E Premier Division

BEER Albion and Seaton Town shared the spoils in front of a crowd of 200 in Saturday's local derby at the Furzebrake on Saturday writes *Richard Honnor*.

There were no goals but the game certainly wasn't lacking in passion and excitement as both sides fought hard for superiority in the tricky, windy conditions.

The Fishermen were without inform striker and player manager, Richard Walker who was unfit to play and they missed his quality on the day.

Playing into the breeze, Seaton made the stronger start as Beer failed to get any quality possession in the middle of the park. The Seaside's young midfielder Jake Rowe was particularly effective and much of Seaton's creative play came through him.

The Fishermen had an early escape on four minutes when a Seaton striker who looked offside burst through only to shoot wide from 10

yards.

Beer were under pressure for long periods. Only a desperate block by centre back Joe Adkin prevented the visitors from taking an early lead.

After 25 minutes the Fishermen were fortunate when a great strike from Rowe hit the upright, and moments later Beer keeper Westlake made a fine save to deny striker Josh French after some good interplay with Matt Hancock had split the Fishermen's defence.

Somehow Beer weathered the storm until half time when Walker, unhappy with what he saw in the first half, gave his side a strong team talk. This seemed to have the desired effect as the Fishermen stepped up their game after the break.

Seaton did produce a worthy solo effort on 46 minutes but, with Ollie Morgan winning some great challenges in midfield, Beer at last started to get a foothold in the game. Callum Gribble had shot deflected after good work from James Melville.

Soon after Jacob Clode had a good effort parried by the keeper after Chris Long's fierce shot had been blocked.

The game was now opening up and Beer centre-back Foster was on hand to clear a Seaton effort off the line. At the other end a Chris Long free kick was deflected to Melville whose shot across goal was scrambled away by the Seaside's defence.

As the game went into the last quarter Beer were getting stronger and Clode and Phillips both shot narrowly wide.

But the Seaside's came close on 86 minutes when Westlake, who otherwise had a good match, missed a straightforward catch and had to thank Foster for another goal-line clearance.

The excitement still wasn't over as both sides had further chances to steal the points. On 88 minutes Seaton's French just failed to get his outstretched foot on the end of a wicked cross and Gribble almost won it for Beer a minute later but his effort from 10 yards was scooped over the bar.

There were some strong performances on both sides but match sponsor Nick Driver awarded man-of-the-match to Beer's midfielder Morgan who was outstanding throughout. Beer's next Premier Division fixture is on 2nd January away at Newton St Cyres.

The next home game at the Furzebrake is also on 2nd January when Beer 2nds play Priory in a Division Five fixture.

D&E Round-up by Collin Goodwin

AXMOUTH UNITED won their Division Three match against visiting TEDBURN ST MARY 3-1 but they were made to wait nearly an hour before getting their noses in front.

John Cooper did the job with a scorcher then added a second, Scott Dyer then netted the third before the Teds nabbed a late consolation.

AMORY PARK RANGERS were leading THE LORDS XI 2-1 with fifteen minutes remaining in their Division Four match when the referee decided to abandon the game. A decision on the outcome was due to be made at monday's management meeting.

SOUTH ZEAL UNITED won their mud battle at home to

DUNKESWELL ROVERS 6-5, but almost threw it away after leading 5-0 at the break. For the Dunks Dan Matthews had a hat-trick and Josh Cann and Jacob White scored aces.

BICKLEIGH took over the leadership of Division Eight from EXMOUTH SPARTANS the team they dislodged.

Zak Morgan scored twice for the Buzzards, Josh Kalloway, Richard Sandford and Mike Sandford also featuring on the scoresheet.

UPOTTERY were a goal down in their Division Eight match at KENTISBEARE. Jamie Westwood, Phil Derryman and two late goals from Dan Symons won it for Upottery.

Saturday's matches were the last in the League until January, there are no scheduled fixtures for the Christmas weekend, but the Devon & Exeter League wishes all its clubs a merry Christmas and a happy new year.

SGE GORDANO 2 COMBE ST NICHOLAS 1
Somerset League Div 1(W)

THE wheels came of Combe St Nicholas season with a display against bottom of the table St George Easton in Gordano that Saints' manager Phil Loaring described as: "Terrible, The lads didn't look interested – it was a very bad result."

This was the second time that the two teams had clashed in week with Combe cruising to a 7-1 victory in the reverse fixture at Slades Cross.

The hosts took the lead midway through the first-half only for Harry Boddington to smash home a fine volley at the far post after he got on the end of

Just one win in seven is hardly the ideal preparation for Boxing Day's huge local derby when they take on neighbours and fellow mid-tableers Ilminster Town.

PERRY STREET LEAGUE
JOHN FOWLER CUP R1

HALSTOCK 7 UPLYME RESERVES 1

WITH the hosts' new ground having teething problems on the drainage front, the match was switched to East Coker.

Ben Brister (2), Jack Tavenor (2), Mark Whitmarsh – the pick of the goals; a stunning 35-yard free-kick, Ian Parker and debutant Danny Baker following his transfer from Hinton, netted for Halstock as they eased to victory.

Halstock secretary Mark Crabb, pressed into service between the sticks, said: "It was a good game, played in the right spirit but we were just a bit too strong physically for Uplyme."

JOHN FOWLER CUP R2
ILMINSTER TOWN A 3 CHARMOUTH 3
(Ilminster won 6-5 on pens)

ILMINSTER Town A edged past Charmouth on penalties at the Rec.

Things were looking good for the visitors whole 2-0 at half-time.

They still had a two-goal cushion at 3-1 with 20 minutes of normal time remaining. But the Blues battled back to force extra time when the teams couldn't be split.

The hosts came out on top in the spot kick shoot-out with Ed Boot skying his effort high over the bar and Matt Tipping hitting the post.

Danny Rendall (2) and Jake Reeve – direct from a corner – netted for Charmouth with Tom Hutchings,

Ryan Seddon and Steve Redwood on target for the eventual winners.

DRIMPTON RES 5 NETHERBURY RES 1
NETHERBURY Reserves

NETHERBURY Reserves were knocked out of the John Fowler cup at the Quarter Final stage.

With a weakened team and in terrible conditions, the visitors actually started really well, and had the best of the first quarter of the match minutes going down the slope.

They had several chances to take the lead with Alex Goodrick striking a post.

But the hosts team resisted the initial pressure and opened the scoring with their first shot on target. Manager Sayers was filling in between the sticks and perhaps should have saved it.

Adam Sorrel was then denied an equaliser by a superb point blank save, but the home keeper went from hero to zero as he spilled a Goodrick shot that trickled over the line

Drimpton made it 2-1 in the opening five minutes of the second half and never looked back.

The Ambers huffed and puffed, but failed to make any progress going up the slope, and Drimpton took control when Steve Symonds deflected a squared cross past the keeper for 3-1.

Keeper James Sayers made a good double save, but could do nothing about the next breakaway goal that was squared across the box and rolled into an empty net.

The final goal came from some poor marking from a corner and a free header in the six-yard box was prodded in at the far post to round off the scoring.

Josh Betts (2), Simon Denslow (2) and Matt Isaacs shared the Drimpton goals.

Revised Semi-final draw;
Fivehead or Halstock v Dowlish & Donyatt or Perry Street Reserves, Drimpton Res v Ilminster Town A.

PREMIER

CREWKERNE TOWN 4 LYME BANTAMS 3

LYME Regis Bantams returned home empty-handed from their relegation tussle with old foes Crewkerne Town having taken the lead and missing a golden chance to lead 2-0.

As early as the third minute the Seaside's could, and should, have taken the lead. A clear handball in the area led to referee Grahame Rose pointing to the penalty spot. But Pete Peacock scuffed his effort wide and the hosts had a reprieve.

However, the striker atoned soon after when he scrambled home the opener from close range.

But, despite being on top, some really slack defending gifted the Tigers three goals in a 10-minute spell with Callum Hooper and Elliot Calvert adding to an own goal.

Lyme pulled one back just before the interval when midfielder Alfie Jaques bundled the ball home.

A clumsy foul by Wallace Blackmore saw referee Rose award his second spot-kick of the match soon after the turnaround, but this was skied well over the crossbar.

The Seaside's equalised on the hour when Steve Batey's pass was met on the volley by Jaques who thundered the ball home.

But the winner came from debutant George Gillman on a counter at-

tack 15 minutes from time.

Lyme felt they had a strong claim for a second penalty when the ball was punched off the line by a defender, but referee Rose said no.

NETHERBURY 2 SHEPTON BEAUCHAMP 4
SHEPTON Beauchamp

NETHERBURY Beauchamp remain perfectly placed in their hunt for the Premier Division title as 2015 draws to a close.

They took the lead in the eighth minute when Adam Dawe lost his marker and scored with a free header from a corner.

Netherbury responded well and were soon level when Dawe was adjudged to have handled the ball in the box – the visitors were incensed and claimed the ball struck Dawe in the stomach – referee Tom Richardson disagreed and Danny Rawlings stepped up to drill the ball into the bottom corner.

Shepton regained the lead from another set piece when another dangerous delivery found the unmarked Dawe at the back post.

The second half was a stop-start affair with Netherbury probably edging the early exchanges with Mark Cuff crashing a shot against the Shepton crossbar.

Home keeper Rob Harp was then called upon to make a brave one-one save to keep the score at 2-1.

Shepton were then awarded a free kick which was only half cleared and the ball fell to Aaron Stayner who smashed in a daisy cutter into the bottom corner.

The Ambers mounted a late fight back and Ryan Gay headed in from close range to make it 3-2.

But the result was confirmed when a cross fell kindly to Dan Smith who netted with another header.

SOUTH PETHERTON 6 WINSHAM UTD 2
SOUTH Petherton

manager Karl Diment was pleased to welcome back five regulars after injuries and unavailability as his side put and end to their worrying three game losing run.

Lee Richards put the hosts ahead in the 10th minute and top-scorer Jamie Underwood made it 2-0 soon after.

Richards then bagged his second and Underwood two more to complete his fifth hat-trick of the season and move to joint top of the goal scoring charts.

Tom Case brought up the Pethy half dozen just before the interval.

Diment's side went through the motions in the second-half and Warren Gabbidon cashed in with two consolations for Winsham to move into double figures for the season.

Late tries clinch narrow victory

Coney Hill 3 Chard 14

South West Division One
IN THEIR last match of the year Chard just managed to beat basement side Coney Hill in a dramatic finish at the Gloucester-based club.

Work commitments, holidays and non-availability meant that Chard were once again forced to make a lot of changes.

But they did have the services of full back Humphries for the first time in several weeks so would have the benefit of a front line kicker.

The home side had a heavyweight set of forwards but the Chard pack were well up to the task and, with their backs looking the more dangerous, were looking for a big win. It was not to be however.

The hosts competed well throughout and Chard did not help themselves by giving away a host of penalties but

the really strong cross wind made goal kicking very difficult.

When they did move the ball wide Chard looked dangerous.

Ryan Helliard, Joe Massey and Gab Riley looked sharp but the general team play lacked any consistent cohesion as the first unusually half ended scoreless.

The hosts had the benefit of the slight slope in the second half but the weather evened things out.

A minute after the interval Chard were penalised close to their own posts and conceded a three-point lead.

The next 20 minutes were difficult for Chard and poor handling and discipline increased their frustration.

But in the final quarter things improved and they made several penetrating runs but just could not finish

thing off.

With ten minutes to go Chard had coach Simon Jenkins sent to the bin and the supporters who had made the trip were beginning to think it would be 'one of those days'.

However, they made good ground with kicks from Humphries and, with less than five minutes to go, the forwards, with Aplin, Biss and Robinson to the fore, drove Coney back over their own line for a try with Mortensen appearing to get the final touch down.

The try was converted by Humphries to give Chard a slender 7-3 lead.

From the restart the hosts won good ball and their fly half launched what appeared to be a lovely kick to the corner.

However, a brilliant defensive catch by Chard turned

defence into attack and they broke clear from their own line and put together a 90-metre move that ended with a try which Humphries again converted.

Chard next match is home against Bridgwater on January 2nd.

Chard 2nd xv lost 47-5 at home against Clevedon and the **Chard 3rds** were on the end of a 91-0 hiding against Yeovil 2nds.

The good news however was that the 3rd xv did manage to send enough players to fulfill the fixture which was no mean task considering the problems experienced by the teams above them.

The team were also able to wear their newly sponsored shirts which were generously provided by the *Lift West* Company.

The **Colts** kept up their good form with a 33-14 victory

against Frampton Cotterell and remain the clear leaders in the Somerset Under 18 league.

◆ A minute's silence was observed at all Chard's matches on Saturday in memory of former player **BILL MORGAN** who was tragically killed in a car crash whilst working abroad.

The thoughts of everybody at the club are with his family and friends at this difficult time.
